**ACT 329 (HB 599)**

**2018 Regular Session**

**Jefferson**

Existing law mandates that the La. Workforce Commission (commission) send overpayment assessment notices regarding the overpayment of unemployment compensation benefits by certified or registered mail.

New law retains existing law and additionally allows the commission to send the notice electronically or by first class mail if the claimant so chooses.

New law provides that if no delivery method is chosen, the commission shall send the notice by certified or registered mail.

Effective August 1, 2018.
