

## RÉSUMÉ DIGEST

**ACT 338 (HB 799)**

**2018 Regular Session**

**Garofalo**

Existing law established a removal program for abandoned crab traps. Requires the Wildlife and Fisheries Commission to promulgate rules for the removal of abandoned traps and their disposal. Requires the rules address the dates when usable traps must be removed from the water, the geographical area for the removal, who is authorized to remove traps, and the location for disposal of the traps.

New law adds the disposition of the abandoned traps to the list of specifications promulgated by the Wildlife and Fisheries Commission.

Effective August 1, 2018.
