

## RÉSUMÉ DIGEST

**ACT 75 (HB 250)**

**2018 Regular Session**

**Bishop**

Existing law establishes requirements and procedures necessary for a notice of a public hearing at which a taxing authority may consider the levy of additional or increased millages without voter approval. These are colloquially known as millage "roll forwards".

Prior law required that the public notice be published by July 15<sup>th</sup>, on two separate days, occurring no less than 30 days before the hearing date.

New law removes the July 15<sup>th</sup> deadline for publication of the notice.

Effective August 1, 2018.
