11 §2759. Cooperative endeavor agreements authorizing payments in lieu of ad
12 valorem taxes

13 A.(1) One or more local governmental subdivisions or any other entities
14 having taxing authority may enter into a joint or separate cooperative endeavor
15 agreement that provides for payments in lieu of ad valorem taxes imposed by a
16 taxing authority that is a party to the cooperative endeavor agreement, with any of
17 the following persons as described in Subparagraphs (a) and (b) of this Subsection:

1 (a) Owners of property eligible for the property tax exemption provided for
2 manufacturing establishments as described in Article VII, Section 21(F) of the
3 Constitution of Louisiana.

4 (b) Owners of other property not eligible for the exemption provided by
5 Article VII, Section 21(F) of the Louisiana Constitution upon approval of the
6 cooperative endeavor agreement by the Joint Legislative Committee on the Budget
7 in accordance with the provisions of this Section.

8 (2) Cooperative endeavor agreements may be entered into by local
9 governmental subdivisions or other taxing authorities hereinafter referred to
10 collectively as "taxing authority", that are parties to the cooperative endeavor
11 agreement, only after approval by the taxing authority evidenced by resolution
12 adopted by the taxing authority, for themselves and all districts and subunits created
13 by them respectively, or by resolution of any stand-alone taxing authorities or by
14 letter of approval of the sheriff approving the form and terms of the agreement.

15 (3) A public hearing shall be conducted by any taxing authority prior to

17 the hearing and the proposed resolution shall be published in the official journal of
18 the applicable taxing authority at least once, no later than fourteen days prior to the
19 hearing, or if there is no official journal, in a newspaper having general circulation
20 therein. The notice shall inform the public where a copy of the draft cooperative
21 endeavor agreement may be obtained and the time and place of the hearing.

22 (4) Prior to any public hearing by any taxing authority and approval of a
23 cooperative endeavor agreement, the assessor for the parish where the property is
24 located shall be consulted in connection with the negotiation of the terms of the
25 cooperative endeavor agreement.

26 (5) The cooperative endeavor agreement shall only apply to those taxing
27 authorities who are parties to the agreement, and any non-participating taxing

2 Louisiana, the property owner shall demonstrate one of the following:

3 (1) The activities of the property owner in the state of Louisiana will
4 generate an economic benefit to the state that exceeds twenty times the anticipated

7 multipliers as appropriate and set forth in the Regional Input-Output Modeling
8 System (RIMS II), or its successor publications, for the business operations of the
9 applicant as published by Regional Economic Analysis Division BE-61, Bureau of
10 Economic Analysis, U.S. Department of Commerce, Washington, D.C. 20230.

12 fifty new jobs in the parish where the property is located. These jobs shall be in
13 excess of the number of jobs that existed in Louisiana because of that property owner
14 and all affiliated companies prior to the effective date of the cooperative endeavor
15 agreement.

16 F. In order to provide a uniform, expeditious, and equitable procedure to
17 determine the validity of a cooperative endeavor agreement authorized under this
18 Section, as well as any transaction contemplated thereby, a suit to determine the
19 validity of an agreement may be filed as provided in R.S. 13:5121, et seq., in the

HB 81 Original

2019 Regular Session

Abraham

Abstract: Authorizes any local taxing authority to enter into a cooperative endeavor agreement with a property owner that requires payments in lieu of ad valorem taxes imposed by that local taxing authority and establishes requirements concerning eligibility and approvals.

Proposed law authorizes any local governmental subdivision or other taxing authority (hereinafter "taxing authority") to enter into a cooperative endeavor agreement that provides for payments in lieu of ad valorem taxes imposed by that taxing authority, subject to the approval of the governing body of the taxing authority as evidenced by the adoption of a resolution for that purpose, or in the case of a sheriff or assessor, other official indicia of approval, for that purpose.

Proposed law requires that a public hearing be held prior to the adoption of a resolution for the approval of a cooperative endeavor agreement pursuant to proposed law. Public notice is required in the form of advertisement in the official journal of the taxing authority, or in the absence of an official journal, its local equivalent, at least once and no later than 14 days prior to the hearing. The public notice shall provide for where a copy of the draft cooperative endeavor agreement may be examined.

Proposed law requires that prior to the public hearing required by proposed law the assessor is to be consulted in connection with the negotiation of the terms of the agreement.

Proposed law provides that any property subject to an agreement shall be exempt from ad valorem taxation or may provide for a reduction in ad valorem taxes during the term of the agreement to the extent as is provided for in the agreement.

Proposed law provides that a cooperative endeavor agreement shall have no application to any ad valorem tax of a taxing authority which is not a party to the agreement.

Proposed law limits eligibility for the exemption to either the property of a manufacturing establishment that qualifies for the industrial tax exemption, or a property that is subject to a cooperative endeavor agreement that has been approved by the Joint Legislative Committee on the Budget (JLCB).

Proposed law and proposed constitutional amendment further prohibits eligibility for this exemption for a manufacturing establishment that has had a contract for the industrial tax exemption, unless it is within the first four years of the industrial tax exemption contract.

Proposed law requires that in order for a cooperative endeavor agreement to be considered by the JLCB, the property owner shall demonstrate that the economic benefit to the state under the agreement will exceed 20 times the anticipated benefit of the agreement to the property owner or that the activities of the property owner shall create at least 250 new jobs in the parish where the property is located.

Proposed law requires that exempt properties be listed on the assessment rolls and information concerning those properties is required to be submitted to the La. Tax Commission.

Proposed law provides that administrative provisions concerning the collection of monies due under an agreement shall be the same as those for ad valorem taxes. Further, the validity of an agreement, as well as any transaction contemplated thereby, may be determined by the filing of a suit as provided in present law, in the district court having jurisdiction for any party to the agreement in the same manner and as though the agreement constitutes an issuance of bonds by the taxing authority.

Present law provides a definition for "cooperative endeavor agreement" as a form of economic development assistance between and among the state and local governments and other entities.

Proposed law retains present law and adds "agreements providing for payments in lieu of taxes" to the definition of "cooperative endeavor agreement".

Effective if and when House Bill No. _____ of this 2019 R.S. is enacted and becomes effective.
