SCR 2 Engrossed DIGEST Morrell
2019 Regular Session

Ratifies amendment to the U.S. Constitution providing for equal rights as follows:

- (1) Equality of rights under law shall not be denied or abridged by the U.S. or any state on account of sex.
- (2) Congress shall have power to enforce by appropriate legislation the provisions hereof.
- (3) This amendment shall take effect two years after the date of ratification.

Memorializes Congress to remove or extend in perpetuity the ratification deadline stated in the 1972 Congressional joint resolution's resolving clause, but not in the amendment itself, if it deems necessary, for the Equal Rights Amendment to be added to the Constitution of the United States.
