DIGEST

SB 185 Reengrossed

2019 Regular Session

Walsworth

Present law provides a procedure for commencement of child support actions and redirection of support payments by the Dept. of Children and Family Services (DCFS). Present law provides that DCFS is authorized to receive and disburse support payments made on behalf of each child who is a recipient of public assistance, and is authorized to administratively change the payee of a support order to the department. Present law provides that DCFS shall give notice of such change to the obligee and the obligor and shall file a copy of such notice with the court by which the order was issued or last registered.

Present law provides that for cases no longer receiving support enforcement services from the department, upon motion of an interested party, a support order shall be transferred to the district or family court in the same parish as the juvenile court transferring the order. Proposed law retains present law and further provide for an effective date of redirection of support payments.

Proposed law provides that a court shall issue an order recognizing or removing the name of payor or payee when notice of redirection of support payment is filed with the clerk of court.

Proposed law provides that such order shall be served to all parties.

Present law provides for portions of Act 264 of the 2017 R.S., as amended by Act 136 of the 2018 R.S., that generally provide for suspension of child support during an obligor's incarceration, to become effective on Aug. 1, 2019.

Proposed law changes the effective date to Aug. 1, 2020.

Effective August 1, 2019.

(Amends R.S. 46:236.2 and Act No. 264 of the 2017 R.S., §7(A), as amended by Act No. 136 of the 2018 R.S., §1)
