

RÉSUMÉ DIGEST

HR 256

2019 Regular Session

McFarland

Creates a six-member task force to study matters relating to establishing a single-source identification and benefit card system known as LaVerify for prevention of fraud in Medicaid enrollment and Medicaid point-of-service fraud.

Requests that the task force submit to the La. House of Representatives a written report of findings and recommendations regarding actions necessary for creating and implementing the LaVerify system on or before Feb. 1, 2020.
