

RÉSUMÉ DIGEST

ACT 389 (HB 116)

2019 Regular Session

Robby Carter

Existing law authorizes the governing authority of any parish to create communications districts to provide 911 service. Further authorizes the parish governing authority to appoint a board of commissioners composed of seven members to govern a district that is created wholly within a single parish.

New law provides that the members of the board of commissioners of Tangipahoa Communications District Number 1 shall each receive a per diem of \$50 for attending a meeting of the board for a maximum of one regular meeting per month and six special meetings per year. Further provides that per diem paid pursuant to new law shall be paid out of the funds of the district.

Effective August 1, 2019.
