DIGEST 2020 Regular Session

Peterson

<u>Proposed law</u> provides for the testing of public drinking water in accordance with rules promulgated by the office of public health, Louisiana Department of Health and the lead and copper rule established by the U.S. Environmental Protection Agency's Primary Standards for drinking water.

<u>Proposed law provides for specific notice to be provided to homeowners regarding water testing to ensure the most accurate results. Proposed law provides for specific requirements of public water systems for every test performed.</u>

<u>Proposed law</u> requires LDH to establish a mandatory training or certification program for all public water system operators. <u>Proposed law</u> provides for notice to homeowners when full or partial lead service lines are replaced.

Effective August 1, 2020.

SB 357 Original

(Adds R.S. 40:5.6(C) through (I))
