EXPENDITURE EXPLANATION

There will be an increase in expenditures of parish judicial districts (JDC) from their parish treasury for each criminal jury. The number of criminal jury trials each year is unknown; therefore, the amount of sum increase is indeterminable.

There is no increase in expenditures of JDCs for civil jury trials. Expenses for civil jury trials are paid for by the party requesting the trial in the form of jury filing fees and jury bonds. The party requesting the civil trial posts a bond of \$5,000 and pays a \$150 jury filing fee. The Clerk of Court holds the fees to pay the jury attendance fees and mileage.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
