**EXPENDITURE EXPLANATION**

R.S. 47:120.37(B) provides that existing checkoffs be removed from the tax return if they have not generated at least \$10,000 per year for two consecutive years (R.S. 47:120.37(C) authorizes a 20% fee from the donated amounts to defray administrative costs). This bill precludes the removal of this refund donation checkoff from the tax return, through 2023, regardless of the amount of refund donations received. This donation received \$2,146 during FY17 and \$145 during FY18.

**REVENUE EXPLANATION**

There will be no effect on state tax collections since only refunds will be donated. The willingness of taxpayers to donate all or a portion of their tax refunds to any particular purpose can not be predicted. The amount of donations to any particular purpose is likely to be small.

For fiscal year 2018 (the latest year for which the department has published limited information on checkoffs) the 31 checkoffs reported for that year received total donations for all purposes of \$351,097. Donations per checkoff purpose ranged from a high of \$89,572 (Military Family Assistance Fund) to a low of \$1 (New Opportunity Waiver Fund).
