HB 17 Engrossed

2020 Regular Session

Bacala

Abstract: Modifies provisions applicable to entities that may become employers covered by the Parochial Employees' Retirement System of La. (PERS).

Present law applicable to PERS defines "employer" as any parish in the state of La., except Orleans and East Baton Rouge, the governing body of a parish which employs and pays persons serving the parish, the Police Jury Assoc. of La., the La. School Boards Assoc., and this retirement system.

Present law further authorizes certain taxing districts and other entities to request PERS to approve their inclusion as employers.

Proposed law makes technical corrections to coordinate the definitions of employee and employer.
