DIGEST

SB 72 Engrossed

2020 Regular Session

Present law requires the commissioner of insurance to collect in advance the following fees:

- (1) For each company filing of property and casualty insurance policy forms, per product \$100.00
- (2) For each company filing to adopt a reference or item filing of advisory organization's form reference filing (not applicable to service purchasers, who must file the actual forms as shown above) \$20.00

Proposed law removes the \$20 fee collected for each company filing to adopt a reference or item filing of advisory organization's form reference filing, but which is not applicable to service purchasers, who must file the actual forms required by law.

Proposed law removes the \$25 fee for each company filing of property and casualty insurance policy endorsements, amendments, or riders.

Effective July 1, 2020.
