To enact R.S. 23:1592.1, relative to unemployment compensation; to provide for weekly benefit amounts; to provide for benefit amounts during the COVID-19 pandemic; to provide for a reduction of compensation under certain circumstances; to provide for effectiveness; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 23:1592.1 is hereby enacted to read as follows:

1592.1. Weekly benefit amount under COVID-19

A. Notwithstanding any other provisions of law to the contrary, unemployment compensation paid to a claimant pursuant to this Chapter, when combined with the unemployment compensation paid to the claimant pursuant to the Federal Pandemic Unemployment Compensation (FPUC) program through the CARES Act, Public Law No:116-136, shall not exceed the total amount of compensation the claimant would have earned as wages for employment while employed. The state shall adjust any compensation it pays pursuant to the provisions of this Chapter to ensure that the total state and federal compensation received by the claimant does not exceed the compensation the claimant would have earned while employed.

B. For the purposes of this Section, the state shall not reduce a claimant's unemployment compensation amount to an amount that will otherwise disqualify the claimant from federal unemployment compensation paid pursuant to the Federal Pandemic Unemployment Compensation program.

Section 2. The provisions of this Section shall only be effective during the coronavirus pandemic commonly known as COVID-19.

Section 3. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval.
