

2020 Regular Session

HOUSE CONCURRENT RESOLUTION NO. 45

BY REPRESENTATIVE HODGES

A CONCURRENT RESOLUTION

To urge and request the Board of Regents, in consultation with public postsecondary education management boards, to study issues and compile data relative to faculty at public postsecondary education institutions.

WHEREAS, it is in the best interest of the state of Louisiana for the Board of Regents to study a number of issues relative to faculty members at the state's public postsecondary education institutions; and

WHEREAS, the Legislature of Louisiana is interested in how the board and public postsecondary education institutions recruit educators from Louisiana to become professors and adjunct professors at their institutions; and

WHEREAS, the legislature is also interested in the number of professors in Louisiana and in the United States broken down by home state or country; and

WHEREAS, a determination of what, if any language requirements, are imposed upon faculty would also be valuable.

THEREFORE, BE IT FURTHER RESOLVED that the Legislature of Louisiana does hereby urge and request the Board of Regents, in consultation with the public postsecondary education management boards, to study matters relating to the home state or country of the faculty at public postsecondary education institutions, efforts to recruit Louisiana residents as faculty at such institutions, and language requirements for faculty and to report its findings to the House Committee on Education and the Senate Committee on Education no later than sixty days prior to the convening of the 2021 Regular Session of the Legislature of Louisiana.

BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the commissioner of higher education.
