DIGEST

SCR 3 Engrossed

2020 First Extraordinary Session

Robert Mills

Creates the Task Force on Log Truck and Agriculture Vehicle Liability Insurance to study the limitations on insurance options and the impediments to affordable automobile liability insurance for log trucks and agriculture vehicles and to make recommendations with respect to reducing or eliminating those limitations and impediments to the legislature no later than February 15, 2021.

Provides that the task force will terminate on February 15, 2021.

Summary of Amendments Adopted by Senate

Senate Floor Amendments to original bill

1. Add a member appointed by the National Association of Mutual Insurance Companies.
