

2020 First Extraordinary Session

HOUSE BILL NO. 12

BY REPRESENTATIVES ZERINGUE AND THOMPSON

1 AN ACT

2 To provide for the establishment and reestablishment of agency ancillary funds, to be
3 specifically known as internal service funds, auxiliary accounts, or enterprise funds
4 for certain state institutions, officials, and agencies; to provide for appropriation of
5 funds for Fiscal Year 2020-2021; and to regulate the administration of said funds.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. There are hereby appropriated the amounts shown below, which shall be
8 payable out of the state general fund, to the extent of funds deposited, unless otherwise
9 specified, for the establishment and reestablishment of agency ancillary funds which shall
10 be specifically known as internal service funds, auxiliary accounts, or enterprise funds. The
11 monies in each fund shall be used for working capital in the conduct of business enterprises
12 rendering public service, auxiliary service, and interagency service.

13 In the conduct of each such business, receipts shall be deposited in the state treasury
14 and disbursements made by the state treasurer to the extent of the amount deposited to the
15 credit of each ancillary fund, for the current fiscal year. All funds appropriated herein shall
16 be expended in compliance with the public bid laws of the state.

17 Section 2.A. Except as otherwise provided by law or as herein otherwise provided,
18 any fund equity resulting from prior year operations shall be included as a resource of the
19 fund from which the ancillary fund is directly or indirectly derived.

20 B. Funds on deposit with the state treasury at the close of the fiscal year are
21 authorized to be transferred to each fund respectively, as equity for the next fiscal year.

22 All unexpended cash balances as of June 30, 2021, shall be remitted to the state
23 treasurer on or before August 14, 2021. If not reestablished in the subsequent year's Act, the
24 agency must liquidate all assets and return all advances no later than August 14, 2021.

1 C. The program descriptions contained in this Act are not part of the law and are not
2 enacted into law by virtue of their inclusion into this Act.

3 Section 3. All money from federal, interagency transfers, statutory dedications, or
4 fees and self-generated revenues shall be available for expenditure in the amounts herein
5 appropriated.

6 Any increase in such revenues shall be available for allotment and expenditure by
7 an agency on approval of an increase in the appropriation by the commissioner of
8 administration and the Joint Legislative Committee on the Budget. Any increase in such
9 revenues for an agency without an appropriation from the respective revenue source shall
10 be incorporated into the agency's appropriation on approval of the commissioner of
11 administration and the Joint Legislative Committee on the Budget.

12 Section 4.A. The figures in parentheses following the designation of a budget entity
13 are the total authorized positions and authorized other charges positions for that entity. The
14 number of employees approved for each agency, as a result of the passage of this Act, may
15 be increased by the commissioner of administration when sufficient documentation is
16 presented and the request is deemed valid. However, any request which exceeds five
17 positions shall be approved by the commissioner of administration and the Joint Legislative
18 Committee on the Budget.

19 B. The budget request of any agency with an appropriation level of thirty million
20 dollars or more shall include within its existing table of organization positions which
21 perform the function of internal auditing, including the position of a chief audit executive.
22 The chief audit executive shall be responsible for ensuring that the internal audit function
23 adheres to the Institute of Internal Auditors, International Standards for the Professional
24 Practice of Internal Auditing. The chief audit executive shall maintain organizational
25 independence in accordance with these standards and shall have direct and unrestricted
26 access to the commission, board, secretary, or equivalent head of the agency. The chief
27 audit executive shall certify to the commission, board, secretary, or equivalent head of the
28 agency that the internal audit function conforms to the Institute of Internal Auditors,
29 International Standards for the Professional Practice of Internal Auditing.

30 Section 5. All key and supporting performance objectives and indicators for the
31 departments, agencies, programs, and budget units contained in the Governor's Proposed

1 Budget Supporting Document shall be adjusted by the commissioner of administration to
2 reflect the funds appropriated therein. The commissioner of administration shall report on
3 these adjustments to the Joint Legislative Committee on the Budget each year by August 15.

4 Section 6. The following definition is provided for the terms of this Act: "Working
5 capital" shall be considered the excess of current assets over current liabilities on an accrual
6 basis.

7 Section 7. Should any section, subsection, clause, sentence, phrase, or part of the Act
8 for any reason be held, deemed, or construed to be unconstitutional or invalid, such decisions
9 shall not affect the remaining provisions of the Act, and the legislature hereby declares that
10 it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part
11 thereof, irrespective of the fact that one or more of the sections, subsections, clauses,
12 sentences, phrases, or parts thereof, is declared unconstitutional or invalid. To this end, the
13 provisions of this Act are hereby declared severable.

14 Section 8. Internal Service Funds. These funds account for the financing of goods
15 or services provided by one department or agency to other departments or agencies of the
16 governmental unit, or to other governmental units, on a cost-reimbursement basis. Excess
17 cash funds, excluding cash funds arising from working capital advances, shall be invested
18 by the state treasurer with the interest proceeds therefrom credited to each account and shall
19 not be transferred to the state general fund.

20 Section 9. In conjunction with the continuing assessment of the existing staff, assets,
21 contracts, and facilities of each department, agency, program or budget unit's information
22 technology resources and procurement resources, upon completion of this assessment and
23 to the extent optimization of these resources will result in the projected cost savings through
24 staff reductions, realization of operational efficiencies, cost avoidance, and elimination of
25 asset duplication, the commissioner of administration is authorized to transfer the functions,
26 positions, assets, and funds from any other department, agency, program, or budget units
27 related to these optimizations to a different department. The provisions of this Section shall
28 not apply to the Department of Culture, Recreation and Tourism, or any agency contained
29 in Schedule 04, Elected Officials, of the General Appropriation Act.

30 Section 10. Notwithstanding any provision of law to the contrary, no funds
31 appropriated herein shall be expended for salary adjustments in the form of Market

1 Adjustments as provided in Civil Service Rule 6.32 or pay raises for unclassified employees.
 2 The legislature does hereby urge and request that the State Civil Service Commission
 3 suspend Market Adjustments effective July 1, 2020 pursuant to the provisions of Civil
 4 Service Rule 2.10, and does further urge and request the governor to encourage the State
 5 Civil Service Commission to suspend the Market Adjustments effective July 1, 2020. The
 6 legislature does hereby urge and request the governor to issue an executive order prohibiting
 7 the issuance of pay raises for unclassified employees. The commissioner of administration
 8 is further authorized and directed to reduce the appropriations contained herein by
 9 \$2,229,753 from Interagency Transfers and by \$367,841 from Fees and Self-generated
 10 Revenues.
