Digest of Bill as Finally Passed by Senate

Proposed law transfers \$133,627,380 of the FY 2018-2019 surplus to the Budget Stabilization Fund.

Proposed law transfers \$3,000,000 of State General Fund (Direct) to the Construction Subfund of the Transportation Trust Fund.

Proposed law transfers \$62.5 million from State General Fund (Direct) Non-Recurring Revenues to the Coastal Protection and Restoration Fund.

Proposed law creates the Gentilly Development District Fund and provides funding for it from New Orleans slot machine proceeds.

Proposed law creates the 2021 Market Adjustments Reduction Fund in the state treasury and provides funding from certain reductions to agency budgets for market adjustments for classified employees and pay raises for unclassified employees, which may be restored by the legislature if economic conditions warrant.

Proposed law creates the 2021 Budget Reconciliation Fund in the state treasury and provides funding from certain reductions to agency budgets, which may be restored by the legislature if economic conditions warrant.

Present law (R.S. 39:100.43) establishes the Coronavirus Local Recovery Allocation Fund. Proposed law deposits an additional \$54.3 million dollars of federal monies into the fund.

Present law (R.S. 39:100.45) establishes the State Coronavirus Relief Fund and authorizes the state, subject to appropriation, to spend the funds. Proposed law specifies that the Joint Legislative Committee on the Budget (JLCB) may allocate the funds if the legislature is not in session.

Proposed law (R.S. 39:100.48) establishes the Critical Infrastructure Worker's Hazard Pay Rebate Fund to fund the program established in the Act that originated as HB 70 of the 2020 First Extraordinary Session. Directs the treasurer to transfer \$25 million from the Coronavirus Local Recovery Allocation Fund and \$25 million from the La. Main Street Recovery Fund into the Critical Infrastructure Worker's Fund.

Present law authorizes an annual royalty fee for a prestige license plate for Hunters for the Hungry. Proposed law retains present law.

Present law (R.S. 47:463.167) requires the royalty fee to be deposited into a special escrow account at the Department of Wildlife and Fisheries. Provides that a maximum of 10% of the escrow account be deposited into the Conservation Fund in the state treasury. Proposed law repeals present law. Provides that the royalty fees collected by the department be forwarded to Hunters for the Hungry directly, rather than deposited into an escrow account.

Present law provides that monies remaining in the escrow account may be used by Hunters for the Hungry to pay for the processing and distribution of meats when donated to a charitable organization. Proposed law provides that the royalty fees collected be used to support programs administered by Hunters for the Hungry.

Present law (R.S. 56:644) authorizes collection of donations made to Hunters for the Hungry when individuals purchase a fishing and hunting license. Requires donations collected to be deposited into an escrow account at the Department of Wildlife and Fisheries. Proposed law retains present law.

Present law requires a maximum of 25% of collected donations be deposited in the state treasury Conservation Fund. Proposed law repeals present law.

Present law allows a maximum of 25% of the monies transferred to the Conservation Fund pursuant to present law to be used by the department for administrative costs. Proposed law allows the department to use a maximum of 25% of the monies in the escrow account for administrative costs.

Proposed law allocates \$200,000 of certain sales tax collections in the City of Shreveport to the LSU Health Sciences Center Shreveport.

Proposed law provides that the provisions of R.S. 47:463.167 and R.S. 56:644 as amended by proposed law are intended to supersede certain other legislation amending the same sections that has not yet become effective.

Provisions establishing the 2021 Market Adjustments Reduction Fund and the 2021 Budget Reconciliation Fund effective July 1, 2020. The provisions creating and funding the Critical Infrastructure Worker's Hazard Pay Rebate Fund are effective if and when the bill that originated as HB 70 of the 2020 First Extraordinary Session becomes effective. The remainder of the bill is effective upon signature of governor or lapse of time for gubernatorial action.
