

## **RÉSUMÉ DIGEST**

**HCR 93**

**2020 Regular Session**

**Crews**

Requests the governor to ensure that the liberty and individual rights of La. citizens are protected as the state administers the public health function known as contact tracing.

Requests the governor not to authorize or otherwise impose any penalty for refusal by a person to participate in contact tracing.

Requests the governor to prohibit all of the following actions except in instances when the person subject to the action specifically consents to it:

- (1) Tracking of a person's movements through mobile phone geolocation or any other means, electronic or otherwise, in contact tracing.
- (2) Any data mining that would facilitate the tracking of a person's movements.
- (3) The collection of personal identifying information through contact tracing.

Requests the governor to give assurance that contact tracing will not entail the compulsory separation of family members or the prohibition of willing association among individuals.

Requests the governor not to authorize or otherwise impose any mandate that any individual be tested for the novel coronavirus or antibodies to the virus.
