14           **home state.**

18           **home state shall apply its own state laws to determine appropriate action.**

19           **C. The home state shall complete any pending investigations of an**  
20           **audiologist or speech-language pathologist who changes primary state of**  
21           **residence during the course of the investigations. The home state shall also have**

28 statute repealing the same.

29 (1) A member state's withdrawal shall not take effect until six months

1 after enactment of the repealing statute.

5 act prior to the effective date of withdrawal.

6 D. Nothing contained in this compact shall be construed to invalidate or

8 other cooperative arrangement between a member state and a nonmember state  
9 that does not conflict with the provisions of this compact.

10 E. This compact may be amended by the member states. No amendment  
11 to this compact shall become effective and binding upon any member state until  
12 it is enacted into the laws of all member states.

### 13 SECTION 13. CONSTRUCTION AND SEVERABILITY

14 This compact shall be liberally construed so as to effectuate the purposes  
15 thereof. The provisions of this compact shall be severable and if any phrase,  
16 clause, sentence, or provision of this compact is declared to be contrary to the  
17 constitution of any member state or of the United States or the applicability  
18 thereof to any government, agency, person, or circumstance is held invalid, the  
19 validity of the remainder of this compact and the applicability thereof to any  
20 government, agency, person, or circumstance shall not be affected thereby. If  
21 this compact shall be held contrary to the constitution of any member state, the  
22 compact shall remain in full force and effect as to the remaining member states  
23 and in full force and effect as to the member state affected as to all severable  
24 matters.

### 25 SECTION 14. BINDING EFFECT OF COMPACT AND OTHER LAWS

26 A. Nothing herein prevents the enforcement of any other law of a  
27 member state that is not inconsistent with the compact.

28 B. All laws in a member state in conflict with the compact are superseded  
29 to the extent of the conflict.

1 C. All lawful actions of the commission, including all rules and bylaws  
2 promulgated by the commission, are binding upon the member states.

3 D. All agreements between the commission and the member states are  
4 binding in accordance with their terms.

8 question in that member state.

DIGEST

SB 34 Original

2020 Second Extraordinary Session

Peacock

Proposed law enacts the Audiology and Speech-Language Pathology Interstate Compact to take effect once adopted in 10 member states. Proposed law allows Louisiana to join a multistate compact which allows audiologists and speech-language pathologists to obtain multistate license privileges to practice in participating compact states, to decrease redundancies in the consideration and issuance of audiologist and speech-language pathologist licensure, and to provide opportunity for interstate practice by audiologists and speech-language pathologists who meet the uniform licensure requirements.

Proposed law provides that the compact facilitates the interstate practice of audiology and speech-language pathology to assist in improving public access to audiology and speech-language pathology services.

Proposed law provides that the compact encourages the multistate regulation of audiology and speech-language pathology practice, enhances exchange of licensure, investigative and disciplinary information among its members, allows for use of telehealth technology to facilitate increased access to audiology and speech-language pathology services, supports spouses of relocating active duty military personnel, and allows a remote state to hold a provider of services with a compact privilege in that state accountable to that state's practice standards.

Proposed law provides that active duty military personnel, or their spouses, shall designate a home state where the individual has a current license in good standing and that the individual may retain the home state designation during the period the service member is on active duty. Proposed law provides that subsequent to designating a home state, the individual shall only change their home state through application for licensure in the new state.

Proposed law provides for the establishment of a joint agency known as the Audiology and Speech-Language Pathology Commission and membership by representatives from compact states.

Proposed law provides for construction and severability.

Effective July 1, 2021.
