HB 15 Engrossed

2020 Second Extraordinary Session

Frieman

**Abstract:** Authorizes the legislature to terminate any declaration of an emergency or any portion of the declaration.

Present law provides that a disaster, emergency, or public health emergency shall be declared by executive order or proclamation of the governor if the governor finds that a disaster or emergency has occurred or the threat thereof is imminent.

Present law also provides that the state of disaster, emergency, or public health emergency shall continue until the governor finds that the threat of danger has passed or the disaster or emergency has been dealt with to the extent that the emergency conditions no longer exist and terminates the state of disaster, emergency, or public health emergency by executive order or proclamation.

Present law provides that no state of disaster, emergency, or public health emergency may continue for longer than 30 days unless renewed by the governor.

Present law authorizes either house of the legislature to terminate an emergency declaration of a state of disaster, emergency, or public health emergency by petition of a majority of the surviving members of that house.

Proposed law authorizes either house to terminate any section or subsection of an emergency declaration.

Present law provides that the petition terminating an emergency declaration may establish a period during which no other declaration of emergency may be issued. Proposed law limits present law to related emergencies.

Proposed law requires the petition terminating an emergency declaration be transmitted to the clerk of the House of Representatives or the secretary of the Senate, as applicable, and that the clerk or the secretary shall transmit the petition to the governor.

Proposed law provides that the petition terminating an emergency declaration is effective upon transmission of the petition to the governor.

Proposed law further provides that the clerk of the House of Representatives or secretary of the Senate, as applicable, shall disseminate the petition among the general public and file it with appropriate executive branch agencies.

Proposed law provides for retroactive and prospective application.

Effective upon signature of governor or lapse of time for gubernatorial action.
