INTERSTATE COMPACT (REPLICA)SECTION 1. PURPOSE

In order to protect the public through verification of competency and ensure accountability for patient care related activities all states license emergency medical services (EMS) personnel, such as emergency medical technicians (EMTs), advanced EMTs, and paramedics. This compact is intended to facilitate the day-to-day movement of EMS personnel across state boundaries in the performance of their EMS duties as assigned by an appropriate authority and authorize state EMS offices to afford immediate legal recognition to EMS personnel licensed in a member state. This compact recognizes that states have a vested interest in protecting the public's health and safety through their licensing and regulation of EMS personnel and that such state regulation shared among the member states will best protect public health and safety. This compact is designed to achieve the following purposes and objectives:

(1) Increase public access to EMS personnel.

(2) Enhance the states' ability to protect the public's health and safety, especially patient safety.

(3) Encourage the cooperation of member states in the areas of EMS personnel licensure and regulation.

(4) Support licensing of military members who are separating from an active duty tour, and their spouses.

(5) Facilitate the exchange of information between member states regarding EMS personnel licensure, adverse action, and significant investigatory information.

11          (4) The commission shall not incur obligations of any kind prior to  
12          securing the funds adequate to meet the same; nor shall the commission pledge  
13          the credit of any of the member states, except by and with the authority of the  
14          member state.

15          (5) The commission shall keep accurate accounts of all receipts and  
16          disbursements. The receipts and disbursements of the commission shall be  
17          subject to the audit and accounting procedures established under its bylaws.  
18          However, all receipts and disbursements of funds handled by the commission  
19          shall be audited yearly by a certified or licensed public accountant, and the  
20          report of the audit shall be included in and become part of the annual report of  
21          the commission.

22                   F. Qualified immunity, defense, and indemnification

23          (1) The members, officers, executive director, employees, and  
24          representatives of the commission shall be immune from suit and liability, either  
25          personally or in their official capacity, for any claim for damage to or loss of  
26          property or personal injury or other civil liability caused by or arising out of  
27          any actual or alleged act, error or omission that occurred, or that the person  
28          against whom the claim is made had a reasonable basis for believing occurred  
29          within the scope of commission employment, duties or responsibilities; provided

1 that nothing in this Paragraph shall be construed to protect any such person  
2 from suit and/or liability for any damage, loss, injury, or liability caused by the  
3 gross negligence or intentional or willful or wanton misconduct of that person.

4 (2) The commission shall defend any member, officer, executive director,  
5 employee, or representative of the commission in any civil action seeking to  
6 impose liability arising out of any actual or alleged act, error, or omission that  
7 occurred within the scope of commission employment, duties, or responsibilities,  
8 or that the person against whom the claim is made had a reasonable basis for  
9 believing occurred within the scope of commission employment, duties, or  
10 responsibilities; provided that nothing herein shall be construed to prohibit that  
11 person from retaining his or her own counsel; and provided further, that the  
12 actual or alleged act, error, or omission did not result from that person's gross  
13 negligence or intentional or willful or wanton misconduct.

14 (3) The commission shall indemnify and hold harmless any member,  
15 officer, executive director, employee, or representative of the commission for  
16 the amount of any settlement or judgment obtained against that person arising  
17 out of any actual or alleged act, error, or omission that occurred within the  
18 scope of commission employment, duties, or responsibilities, or that such person  
19 had a reasonable basis for believing occurred within the scope of commission  
20 employment, duties, or responsibilities, provided that the actual or alleged act,  
21 error, or omission did not result from the gross negligence or intentional or  
22 willful or wanton misconduct of that person.

25 of a coordinated database and reporting system containing licensure, adverse  
26 action, and significant investigatory information on all licensed individuals in  
27 member states.

28 B. Notwithstanding any other provision of state law to the contrary, a  
29 member state shall submit a uniform data set to the coordinated database on all

1 individuals to whom this compact is applicable as required by the rules of the  
2 commission, including:

3 (1) Identifying information.

17 information on, any individual in a member state.

18 D. Member states contributing information to the coordinated database  
19 may designate information that may not be shared with the public without the  
20 express permission of the contributing state.

21 E. Any information submitted to the coordinated database that is  
22 subsequently required to be expunged by the laws of the member state  
23 contributing the information shall be removed from the coordinated database.

## 24 SECTION 12. RULEMAKING

25 A. The commission shall exercise its rulemaking powers pursuant to the  
26 criteria set forth in this Section and the rules adopted thereunder. Rules and  
27 amendments shall become binding as of the date specified in each rule or  
28 amendment.

29 B. If a majority of the legislatures of the member states rejects a rule, by

1 enactment of a statute or resolution in the same manner used to adopt the  
2 compact, then such rule shall have no further force and effect in any member  
3 state.

4 C. Rules or amendments to the rules shall be adopted at a regular or  
5 special meeting of the commission.

6 D. Prior to promulgation and adoption of a final rule or rules by the  
7 commission, and at least sixty days in advance of the meeting at which the rule  
8 will be considered and voted upon, the commission shall file a notice of  
9 proposed rulemaking:

10 (1) On the website of the commission.

11 (2) On the website of each member state EMS authority or the  
12 publication in which each state would otherwise publish proposed rules.

13 E. The notice of proposed rulemaking shall include:

14 (1) The proposed time, date, and location of the meeting in which the rule  
15 will be considered and voted upon.

16 (2) The text of the proposed rule or amendment and the reason for the  
17 proposed rule.

18 (3) A request for comments on the proposed rule from any interested  
19 person.

20 (4) The manner in which interested persons may submit notice to the  
21 commission of their intention to attend the public hearing and any written  
22 comments.

23 F. Prior to adoption of a proposed rule, the commission shall allow  
24 persons to submit written data, facts, opinions, and arguments, which shall be  
25 made available to the public.

26 G. The commission shall grant an opportunity for a public hearing  
27 before it adopts a rule or amendment if a hearing is requested by:

28 (1) At least twenty-five persons.

29 (2) A governmental subdivision or agency.

1           **(3) An association having at least twenty-five members.**

3           **commission shall publish the place, time, and date of the scheduled public**  
4           **hearing.**

5           **(1) All persons wishing to be heard at the hearing shall notify the**  
6           **executive director of the commission or other designated member in writing of**  
7           **their desire to appear and testify at the hearing not less than five business days**  
8           **before the scheduled date of the hearing.**

9           **(2) Hearings shall be conducted in a manner providing each person who**  
10           **wishes to comment a fair and reasonable opportunity to comment orally or in**  
11           **writing.**

12           **(3) No transcript of the hearing is required, unless a written request for**  
13           **a transcript is made, in which case the person requesting the transcript shall**  
14           **bear the cost of producing the transcript. A recording may be made in lieu of**  
15           **a transcript under the same terms and conditions as a transcript. This**  
16           **Subsection shall not preclude the commission from making a transcript or**  
17           **recording of the hearing if it so chooses.**

18           **(4) Nothing in this Section shall be construed as requiring a separate**  
19           **hearing on each rule. Rules may be grouped for the convenience of the**  
20           **commission at hearings required by this Section.**

21           **I. Following the scheduled hearing date, or by the close of business on the**  
22           **scheduled hearing date if the hearing was not held, the commission shall**  
23           **consider all written and oral comments received.**

24           **J. The commission shall, by majority vote of all members, take final**

27           **K. If no written notice of intent to attend the public hearing by interested**  
28           **parties is received, the commission may proceed with promulgation of the**  
29           **proposed rule without a public hearing.**

1            **L. Upon determination that an emergency exists, the commission may**  
2            **consider and adopt an emergency rule without prior notice, opportunity for**  
3            **comment, or hearing, provided that the usual rulemaking procedures provided**  
4            **in the compact and in this Section shall be retroactively applied to the rule as**  
5            **soon as reasonably possible, in no event later than ninety days after the effective**  
6            **date of the rule. For the purposes of this provision, an emergency rule is one**  
7            **that must be adopted immediately in order to:**

8                    **(1) Meet an imminent threat to public health, safety, or welfare.**

9                    **(2) Prevent a loss of commission or member state funds.**

10                   **(3) Meet a deadline for the promulgation of an administrative rule that**

16            **grammatical errors. Public notice of any revisions shall be posted on the website**  
17            **of the commission. The revision shall be subject to challenge by any person for**  
18            **a period of thirty days after posting. The revision may be challenged only on**  
19            **grounds that the revision results in a material change to a rule. A challenge**  
20            **shall be made in writing, and delivered to the chair of the commission prior to**  
21            **the end of the notice period. If no challenge is made, the revision will take effect**  
22            **without further action. If the revision is challenged, the revision may not take**  
23            **effect without the approval of the commission.**

## 24            **SECTION 13. OVERSIGHT, DISPUTE RESOLUTION,**

### 25                            **AND ENFORCEMENT**

#### 26                    **A. Oversight**

27                    **(1) The executive, legislative, and judicial branches of state government**  
28                    **in each member state shall enforce this compact and take all actions necessary**  
29                    **and appropriate to effectuate the compact's purposes and intent. The provisions**

1 of this compact and the rules promulgated hereunder shall have standing as  
2 statutory law.

3 (2) All courts shall take judicial notice of the compact and the rules in  
4 any judicial or administrative proceeding in a member state pertaining to the  
5 subject matter of this compact which may affect the powers, responsibilities, or  
6 actions of the commission.

7 (3) The commission shall be entitled to receive service of process in any  
8 such proceeding, and shall have standing to intervene in such a proceeding for  
9 all purposes. Failure to provide service of process to the commission shall  
10 render a judgment or order void as to the commission, this compact, or  
11 promulgated rules.

12 B. Default, technical assistance, and termination

13 (1) If the commission determines that a member state has defaulted in  
14 the performance of its obligations or responsibilities under this compact or the  
15 promulgated rules, the commission shall:

16 (a) Provide written notice to the defaulting state and other member  
17 states of the nature of the default, the proposed means of curing the default,  
18 and/or any other action to be taken by the commission.

19 (b) Provide remedial training and specific technical assistance regarding  
20 the default.

21 (2) If a state in default fails to cure the default, the defaulting state may  
22 be terminated from the compact upon an affirmative vote of a majority of the  
23 member states, and all rights, privileges, and benefits conferred by this compact  
24 may be terminated on the effective date of termination. A cure of the default  
25 does not relieve the offending state of obligations or liabilities incurred during  
26 the period of default.

27 (3) Termination of membership in the compact shall be imposed only  
28 after all other means of securing compliance have been exhausted. Notice of  
29 intent to suspend or terminate shall be given by the commission to the governor,

1 the majority and minority leaders of the defaulting state's legislature, and each  
2 of the member states.

3 (4) A state that has been terminated is responsible for all assessments,  
4 obligations, and liabilities incurred through the effective date of termination,  
5 including obligations that extend beyond the effective date of termination.

6 (5) The commission shall not bear any costs related to a state that is  
7 found to be in default or that has been terminated from the compact, unless  
8 agreed upon in writing between the commission and the defaulting state.

9 (6) The defaulting state may appeal the action of the commission by  
10 petitioning the United States District Court for the District of Columbia or the  
11 federal district where the commission has its principal offices. The prevailing  
12 member shall be awarded all costs of such litigation, including reasonable  
13 attorney fees.

14 C. Dispute resolution

15 (1) Upon request by a member state, the commission shall attempt to  
16 resolve disputes related to the compact that arise among member states and  
17 between member and nonmember states.

18 (2) The commission shall promulgate a rule providing for both mediation  
19 and binding dispute resolution for disputes as appropriate.

20 D. Enforcement

21 (1) The commission, in the reasonable exercise of its discretion, shall  
22 enforce the provisions and rules of this compact.

23 (2) By majority vote, the commission may initiate legal action in the  
24 United States District Court for the District of Columbia or the federal district  
25 where the commission has its principal offices against a member state in default  
26 to enforce compliance with the provisions of the compact and its promulgated  
27 rules and bylaws. The relief sought may include both injunctive relief and  
28 damages. In the event judicial enforcement is necessary, the prevailing member  
29 shall be awarded all costs of such litigation, including reasonable attorney fees.

1           (3) The remedies herein shall not be the exclusive remedies of the  
2           commission. The commission may pursue any other remedies available under  
3           federal or state law.

4           SECTION 14. DATE OF IMPLEMENTATION OF THE  
5           INTERSTATE COMMISSION FOR EMS PERSONNEL PRACTICE  
6           AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

7           A. The compact shall come into effect on the date on which the compact  
8           statute is enacted into law in the tenth member state. The provisions, which  
9           become effective at that time, shall be limited to the powers granted to the  
10          commission relating to assembly and the promulgation of rules. Thereafter, the  
11          commission shall meet and exercise rulemaking powers necessary to the  
12          implementation and administration of the compact.

13          B. Any state that joins the compact subsequent to the commission's  
14          initial adoption of the rules shall be subject to the rules as they exist on the date  
15          on which the compact becomes law in that state. Any rule that has been  
16          previously adopted by the commission shall have the full force and effect of law  
17          on the day the compact becomes law in that state.

18          C. Any member state may withdraw from this compact by enacting a  
19          statute repealing the same.

20          (1) A member state's withdrawal shall not take effect until six months  
21          after enactment of the repealing statute.

22          (2) Withdrawal shall not affect the continuing requirement of the  
23          withdrawing state's EMS authority to comply with the investigative and adverse  
24          action reporting requirements of this Act prior to the effective date of  
25          withdrawal.

26          D. Nothing contained in this compact shall be construed to invalidate or  
27          prevent any EMS personnel licensure agreement or other cooperative  
28          arrangement between a member state and a nonmember state that does not  
29          conflict with the provisions of this compact.

1                    **E. This compact may be amended by the member states. No amendment**  
 2                    **to this compact shall become effective and binding upon any member state until**  
 3                    **it is enacted into the laws of all member states.**

4                    **SECTION 15. CONSTRUCTION AND SEVERABILITY**

5                    **This compact shall be liberally construed so as to effectuate the purposes**  
 6                    **thereof. If this compact shall be held contrary to the constitution of any member**  
 7                    **state thereto, the compact shall remain in full force and effect as to the**  
 8                    **remaining member states. Nothing in this compact supersedes state law or rules**  
 9                    **related to licensure of EMS agencies.**

10                  Section 2. This Act shall become effective on July 1, 2021.
