Provides for the issuance of bonds by the Louisiana International Deep Water Gulf Transfer Terminal Authority. (gov sig) (Item #49)

Present law provides for definitions and provides for the issuance of revenue bonds by the LA International Deep Water Gulf Transfer Terminal Authority, and requires the execution of bond resolutions that authorize revenue bonds by the secretary of DOTD, who is a member of the authority's board of commissioners, though DOTD itself has no oversight over the authority. Proposed law removes the words "container" or "containerized" from restrictions or limits on authority; changes the execution of bond resolutions that authorize bond revenue to be made by an authorized officer of the authority's board of commissioners; and makes technical changes.
