1 AN ACT

2 To amend and reenact R.S. 17:416(C)(4) and (5) and to enact R.S. 17:416(K), relative to
3 student discipline; to provide for judicial review of certain discipline actions; to
4 provide for discipline policies applicable during online instruction; to provide for
5 awarding of damages and attorney fees; to provide for applicability; and to provide
6 for related matters.

7 Be it enacted by the Legislature of Louisiana:

8 Section 1. R.S. 17:416(C)(4) and (5) are hereby amended and reenacted and R.S.
9 17:416(K) is hereby enacted to read as follows:

10 §416. Discipline of students; suspension; expulsion

12 C.(1)

13 * * *

14 (4) The parent or tutor of the pupil who has been recommended for expulsion
15 pursuant to this Section may, within five days after the decision is rendered, request

1 the city or parish school board to review the findings of the superintendent or his
 2 designee at a time set by the school board; otherwise the decision of the
 3 superintendent shall be final. If requested, as herein provided, and after reviewing
 4 the findings of the superintendent or his designee, the school board may affirm,
 5 modify, or reverse the action previously taken. The parent or tutor of the pupil shall
 6 have such right of review even if the recommendation for expulsion is reduced to a
 7 suspension.

8 (5)(a) The parent or tutor of the pupil who has been recommended for
 9 expulsion pursuant to this Section may, within ten days, appeal to the district court
 10 for the parish in which the student's school is located, an adverse ruling of the school
 11 board in upholding the action of the superintendent or his designee. The court may
 12 reverse or revise the ruling of the school board upon a finding that the ruling of the
 13 board was based on an absence of any relevant evidence in support thereof. The
 14 parent or tutor of the pupil shall have such right to appeal to the district court even
 15 if the recommendation for expulsion is reduced to a suspension.

16 (b) If a judgment is rendered in favor of a student who sought judicial review
 17 of a decision of a school board pursuant to this Paragraph, the judgment may include
 18 an award for reasonable attorney fees if the court finds any school official acted in
 19 a grossly negligent manner; with deliberate disregard for the consequences of his
 20 actions to the student; with willful or malicious indifference; with intent to deprive
 21 the student, his parent, guardian, or tutor of due process; or initiated a charge that is
 22 knowingly false. The court may award any damages appropriate under the
 23 circumstances and render any other appropriate relief including but not limited to
 24 requiring the school board to issue an official apology letter, which shall be provided
 25 to the student, his parent, guardian, or tutor, and retained in the student's educational
 26 records.

28 K. For the purposes of this Section, "virtual instruction" means instruction
 29 provided to a student through an electronic delivery medium including but not
 30 limited to electronic learning platforms that connect to a student in a remote location

1 to classroom instruction. A city or parish school board discipline policy shall clearly
2 define the rules of conduct and expectations of students engaged in virtual
3 instruction, shall provide for notice of such rules and expectations to the parents and
4 guardians of students, shall include clearly defined consequences of conduct, shall
5 be narrowly tailored to address compelling government interests, and shall take into
6 consideration the students' and their families' rights to privacy and other
7 constitutional rights while at home or in a location that is not school property.

8 Section 2. Any student who has been recommended for expulsion, even if the
9 recommendation for expulsion was reduced to a suspension, for behavior displayed while
10 participating in virtual instruction, as defined in R.S. 17:416(K) as enacted by this Act,
11 between March 13, 2020, and December 31, 2020, shall be entitled to the following:

12 (a) A hearing within thirty days conducted by the school board to determine whether
13 charges should be dismissed and to provide the student with any other relief including but
14 not limited to reinstating the student's enrollment status.

15 (b) Judicial review of any decision by the school board in the district court where
16 the student's school is located.

17 (c) De novo judicial review of the school board's decision. After such review, the
18 court may determine whether the student shall be cleared of the charge, whether any other
19 conditions placed on the student shall be removed, or if the student is eligible for any other
20 relevant relief.

21 (d) Reasonable attorney fees if the court finds any school official acted in a grossly
22 negligent manner; with deliberate disregard for the consequences of his actions to the
23 student; with willful or malicious indifference; with intent to deprive the student, his parent,
24 guardian, or tutor of due process; or initiated a charge that is knowingly false. The court
25 may award any damages appropriate under the circumstances and render any other
26 appropriate relief including but not limited to requiring the school board to issue an official
27 apology letter, which shall be provided to the student, his parent, guardian, or tutor, and
28 retained in the student's educational records.

29 Section 3. The provisions of this Act shall be given prospective and retroactive
30 application.

1 Section 4. No later than December 31, 2020, every public school board shall comply
 2 with the provisions of R.S. 17:416.8 and convene a meeting of its disciplinary policy review
 3 committee to update all policies and procedures relative to conduct that occurs at home or
 4 other locations that are not school property where a student is participating in virtual
 5 instruction.

6 Section 5. This Act shall become effective upon signature by the governor or, if not
 7 signed by the governor, upon expiration of the time for bills to become law without signature
 8 by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If
 9 vetoed by the governor and subsequently approved by the legislature, this Act shall become
 10 effective on the day following such approval.

11 Section 6. This Act shall be known and may be cited as the "Ka'Mauri Harrison
 12 Act".
