Provides relative to the capital outlay process. (gov sig) (Item #15)

The proposed law provides that state-owned projects planned for the fiscal year which an appropriation has been funded shall commence in that fiscal year and the administering agencies shall commence work on those projects. It further provides if a project can not be commenced within the fiscal year for which it is planned, the administering agency shall file with the project records a public statement as to the factors causing the delay. A copy of the public statement and notice when the delaying factors have been overcome shall be sent no later than February 1st each year to the Joint Legislative Committee on Capital Outlay and to each senator and representative in whose district the project is located. The administering agency shall commence the work immediately and expeditiously.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure since the proposed law merely directs the administering agency with state-owned projects to commence work on those projects planned for the fiscal year in which an appropriation is funded. **Note:** If the project can not be commenced within the fiscal year for which it is planned, the administering agency shall file with the project records a public statement as to the factors causing the delay. Once the delaying factors have been overcome the administering agency shall commence the work immediately and expeditiously.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
