2 A. Title; creation. There is hereby created the Louisiana Agricultural
3 Workforce Development Program, hereinafter referred to as the "program", within
4 the Louisiana Department of Agriculture and Forestry, to be administered and
5 supervised by the Louisiana Agricultural Finance Authority, in order to grant
6 incentive payments to Louisiana agricultural businesses to encourage the creation
7 and employment of internships.

8 B. Declaration of purpose. The Legislature of Louisiana hereby finds and
9 declares that the health, safety, and welfare of the people of this state are dependent
10 upon the continued encouragement, development, growth, and expansion of the
11 Louisiana agriculture industry and rural areas. Furthermore, agricultural industries
12 are a major source of employment for Louisiana residents and more programs are
13 needed to encourage interest in and provide the necessary training for a wide range
14 of agricultural jobs. Therefore, it is declared to be the purpose of this Section to
15 ensure the continuation of a quality workforce for the agricultural industry and assist
16 in the expansion of agricultural jobs by providing incentive payments to Louisiana
17 agricultural businesses to encourage the creation and employment of internships.
