

RÉSUMÉ DIGEST

ACT 58 (SB 56)

2020 Second Extraordinary Session

Talbot

Prior law provided for the Health Maintenance Organization Act including definitions and provisions for incorporation.

New law retains prior law and expands the definition of "health maintenance organization" to include any corporation organized as either a business corporation or a nonprofit corporation.

Prior law provides for the application of Business Corporation Law to health maintenance organizations.

New law retains prior law and includes the application of Nonprofit Corporation Law to health maintenance organizations.

Effective upon signature of the governor (November 5, 2020).

(Amends R.S. 22:242(7) and 243(F))
