**EXPENDITURE EXPLANATION**

Proposed law adds Tangipahoa Parish to the list of parishes receiving an allocation from the mass transit portion of Parish Transportation as appropriated annually in Schedule 20-903 of the General Appropriations Bill. Proposed law will cause a reallocation of the appropriation among eligible entities, and assuming the mass transit allocation does not receive an increase in appropriation level will result in a decrease of monies distributed to parishes receiving an allocation under present law. For illustrative purposes, this fiscal note reports the FY 20 mass transit distribution of \$4.955 M and how it would have changed under proposed law. \*Tangipahoa Parish would receive an allocation of \$103,060, while a reduction totaling an equal amount would be applied across all recipients by formula.
