EXPENDITURE EXPLANATION

Proposed law will result in a minimal expenditure increase for the Secretary of State (SOS) to provide orientation and training to every Registrar of Voters appointed on or after January 1, 2022. The proposed law requires the SOS, in conjunction with the Registrar of Voters Association, to prepare materials as well as to conduct orientation and training to Registrars of Voters appointed on or after January 1, 2021. The SOS will provide orientation and training through written training guides and a training video. To implement the proposed law, SOS reports a total cost of \$340 in FY 22 for developing and producing the training video recording supplies (\$100) and training manuals (\$240). In subsequent fiscal years, SOS anticipates expenditures for only updating training manuals (\$240). SOS reports developing and producing a training video as well as preparing annual training manuals can be accomplished utilizing existing resources and budget authority.

The proposed law requires the Attorney General to approve all training prepared by the SOS. The Attorney General reports no impact on expenditures as a result of this measure.
