DIGEST

SB 183 Original

2022 Regular Session

Fred Mills

Proposed law requires each board, commission, or agency in the executive branch or governed by present law provisions of Title 37, Professions and Occupations, that issues a permit or license to post on its website:

- (1) Detailed instructions regarding the information needed to complete the application process.
- (2) Contact information for the individual within the board, commission, or agency responsible for responding to inquiries about the application process.
- (3) Information regarding the anticipated time line for review of an application.
- (4) The report prepared for the oversight committee or subcommittee pursuant to proposed law.

Proposed law requires each board, commission, or agency to annually submit to its respective legislative oversight committee or subcommittee a report containing the number of permits and licenses applied for, number of permits or licenses issued, and the time lines for approval of an application.

Proposed law requires each such board, commission, or agency to post the required information and report on the website of the department of which it is a part if it does not have a website.

Effective August 1, 2022.
