EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Proposed law adds the Division of Administration - Office of Technology Services to be able to request certain criminal history and identification files from the Louisiana Criminal Information and Identification within State Police.

REVENUE EXPLANATION

Proposed law may result in an indeterminable increase in revenue to the Criminal Identification and Information Fund from the potential increase from applicants requesting fingerprint-based background checks. The state background check fee is \$26 and the federal background check fee is \$13.25 of which the Bureau us allowed to keep \$2 for maintenance of the connection to the Federal Bureau of Investigation.
