HOUSE CONCURRENT RESOLUTION NO. 13

BY REPRESENTATIVE CHARLES OWEN

CONGRESS: Encourages congress and the president to take proactive measures to protect the citizens of this state and this nation from the Chinese Communist Party

1 A CONCURRENT RESOLUTION

2 To encourage the Congress of the United States and the President of the United States to
3 take proactive measures to stand firmly against the totalitarian efforts of the world
4 Marxist/communist movement and to protect the citizens of our great state and this
5 nation from the leviathan and evil that is the Chinese Communist Party.

6 WHEREAS, the initial global Marxist/communist movement was directed by the
7 Union of Soviet Socialist Republics (USSR) and had as its declared objective, world control;
8 and

9 WHEREAS, world hegemony was to be accomplished through aggression, force,
10 violence and tactics that included fraud, espionage, sabotage, infiltration, subversion,
11 propaganda, terrorism, and treachery; and

12 WHEREAS, since the 1991 collapse of the USSR and the Warsaw Pact, the
13 hegemonic and totalitarian nation-state of China has become the focal point for the spread
14 of dangerous and tyrannical Marxist, communist, and socialist influences around the globe
15 and has recently aligned with the Russian Federation to act in concert against the West and
16 the rest of the free world, and together they champion tenets of the former
17 Marxist/communist movement; and

18 WHEREAS, the direction and control of the world Marxist/communist movement
19 is now vested in and exercised by the People's Republic of China (PRC); and

1 WHEREAS, the PRC, subject to the dictatorial authority of the Chinese Communist
2 Party (CCP), is actively and surreptitiously furthering the purposes of the world
3 Marxist/communist movement; and

4 WHEREAS, the CCP has established or caused the establishment of various action
5 organizations and "front" companies, which are entities that are not free and independent but
6 components of the PRC's apparatus and that are controlled and directed by and subject to the
7 discipline of the dictatorship in the CCP; and

8 WHEREAS, the CCP conducts predatory trade practices and is suspected of
9 facilitating the shipment of pirated and stolen goods and technologies, all of which harms
10 Louisiana and American businesses and workers; and

11 WHEREAS, the state of Louisiana, as a sovereign political entity under the
12 Constitution of the United States and as a functioning representative state government that
13 is responsible solely to the people of this state under the constitutions of this state and nation,
14 is a most probable and obvious target for those who seek by force, violence, subterfuge, and
15 other unlawful means to overthrow constitutional government, so Louisiana is in perpetual
16 danger of Marxist/communist espionage, infiltration, subversion and sabotage, which would
17 put at risk the state's economy, the international waterway that is the Mississippi River which
18 runs through Louisiana, and these actions will put at risk critical transshipment routes for oil,
19 gas, grain, coal, and chemicals that are all linchpins of the state and nation's economy; and

20 WHEREAS, Marxist/communist expansion and ultimately control of a country is
21 characterized by an absolute denial of the right of self-government and by the abolition of
22 those personal liberties which are cherished and held sacred in the state of Louisiana and in
23 the United States of America; and

24 WHEREAS, the Legislature of Louisiana highlights the deaths of over seventy
25 million Chinese citizens at the hands of its own state apparatus and dictators, the
26 enslavement and on-going efforts to exterminate the Uyghur people and install
27 Gulag-comparable oppression in the Xinjiang region, the maltreatment of minority citizens
28 including peoples of color, maltreatment of homosexuals, the lack of religious and press
29 freedoms, the persecution of people of faith, and draconian population control measures as

1 the heinous benchmarks of the CCP that must be illuminated as actions the United States and
2 Louisiana will not allow to endanger our great nation and state; and

3 WHEREAS, communist action organizations and front companies, as established and
4 utilized in the United States, act under control, direction, and discipline of the CCP and
5 endeavor to carry out the objectives of the world Marxist/communist movement under the
6 guise of legitimate businesses and academic and political entities; and

7 WHEREAS, the world Marxist/communist movement, which, emanating from the
8 CCP and extending to all corners of the globe, aims to bring about the destabilization and
9 subjugation of legitimate and free governments by any available means, including force
10 when called for, and to set up totalitarian dictatorships that suppress liberty and eradicate
11 human rights; and

12 WHEREAS, those who unwittingly and/or sophomorically aid the advancement of
13 these aims of the world Marxist/communist movement and who participate in the subversive
14 work of the movement in effect aid in the growth, influence, and detrimental presence of this
15 cancer on liberty that extends from the CCP and are themselves victims of the world
16 Marxist/communist movement; and

17 WHEREAS, by insidious and ruthless tactics such as predatory economic actions,
18 infiltration of institutions of higher learning, sabotage, political party infiltration,
19 propaganda, and subversion, the agents of the world Marxist/communist movement are
20 attempting to lay the groundwork for the dissolution of the free society that is the United
21 States of America and the State of Louisiana; and

22 WHEREAS, by dangerous experiments, including the possible release of deadly
23 pathogens, and the testing and employment of balance-of-power changing weapons, the CCP
24 puts the health and stability of the entire earth at risk; and

25 WHEREAS, the world Marxist/communist movement is not a legitimate political
26 effort but is in fact a tyrannical criminal conspiracy with an end goal of the ruination of
27 western civilization and liberal democracy; and

28 WHEREAS, because the world Marxist/communist movement constitutes a clear and
29 present danger to the citizens of the state of Louisiana and is an unequivocal enemy of this
30 state and nation, the Congress of the United States and the President of the United States, in

1 order to protect the people of the country and state, to preserve the sovereignty of the state
2 under the Constitutions of the United States and the state of Louisiana, and to guarantee to
3 the state a republican form of government, should enact appropriate legislation recognizing
4 the existence of the Marxist/communist movement and preventing it from accomplishing its
5 purposes in the state of Louisiana and throughout these United States; and

6 WHEREAS, the guarantees of sovereignty and freedom enjoyed by this state and its
7 citizens are certain to vanish if the United States and its constitution are minimized,
8 degraded, or destroyed by the Marxist/communist movement.

9 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
10 encourage the Congress of the United States and the President of the United States to take
11 proactive measures to stand firmly against the totalitarian efforts of the world
12 Marxist/communist movement and to protect the citizens of our great state and this nation
13 from the leviathan and evil that is the Chinese Communist Party.

14 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
15 presiding officers of the Senate and the House of Representatives of the Congress of the
16 United States of America and to each member of the Louisiana congressional delegation.
