**EXPENDITURE EXPLANATION**

There will be an increase in SGF expenditures to the Department of Public Safety & Corrections - Corrections Services (DPS&C) as a result of the proposed measure. DPS&C utilizes a subscription based service called VINE to manage notifications. The department projects an annual cost of \$50,000 for programming and maintenance costs associated with VINE and tailoring this service to work with the department's own offender management system (CAJUN).
