EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. LWC reports that the department already automates a weekly cross-match with the LA Department of Health Vital Records and utilizes automation scheme detection measures that search for duplicative bank accounts and mailing addresses, and foreign IP addresses. In addition, LWC indicates that it uses IP address data collected from its benefit system for tracing scheme-related activity.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
