Proposed constitutional amendment retains present constitution.

Present constitution provides following for the filling of vacancies of elected members of BESE:

- (1) If more than one year is left in the term at the time the position becomes vacant, a special election is required to fill the position.
- (2) If less than one year is left in the term at the time the position becomes vacant, the governor is required to appoint a replacement for the remainder of the term.

Proposed constitutional amendment retains present constitution.

Provides for submission of the proposed amendment to the voters at the statewide election to be held on Nov. 8, 2022.
