SB 181 Engrossed

DIGEST  
2022 Regular Session

McMath

Present law provides definitions for terms used in the Airport Construction and Development Priority Program.

Proposed law adds the definition of the term "sponsor".

Present law provides the department is required to approve the engineering and construction plans for any proposed projects that are prepared by consultant or contract engineers for any recipient airport authority.

Present law requires the department to inspect a completed project and the engineer is required to certify construction is in accordance with plans and specifications.

Proposed law provides the department is permitted but not required to approve the engineering and construction plans and is not required to inspect a completed project.

Proposed law provides the sponsor shall certify that construction is in accordance with plans and specifications, not the department.

Effective upon signature of the governor or lapse of time for gubernatorial action.
