HOUSE BILL NO. 103

BY REPRESENTATIVE THOMAS

DRUGS/CONTROLLED: Provides relative to reporting requirements for persons convicted of production or manufacturing of methamphetamine

1 AN ACT

2 To enact Chapter 3-G of Title 15 of the Louisiana Revised Statutes of 1950, to be comprised
3 of R.S. 15:563 through 563.5, relative to reporting requirements of persons convicted
4 of production or manufacturing of methamphetamine; to provide for purposes and
5 notification; to provide for definitions; to provide relative to the duty of offenders to
6 notify law enforcement; to provide relative to the failure to register; to provide
7 relative to the duration of registration requirements; and to provide for related
8 matters.

9 Be it enacted by the Legislature of Louisiana:

10 Section 1. Chapter 3-G of Title 15 of the Louisiana Revised Statutes of 1950,
11 comprised of R.S. 15:563 through 563.5, is hereby enacted to read as follows:

12 CHAPTER 3-G. REPORTING REQUIREMENTS OF PERSONS CONVICTED OF
13 PRODUCTION OR MANUFACTURING OF METHAMPHETAMINE

14 §563. Findings; purpose

15 The legislature finds that persons who commit the offense of production or
16 manufacturing of methamphetamine, even after being released from incarceration
17 or commitment, are of paramount governmental interest. The legislature further
18 finds that local law enforcement officers' efforts to protect their communities,
19 conduct investigations, and quickly apprehend persons who commit the offense of
20 production or manufacturing of methamphetamine are impaired by the lack of

1 information available to law enforcement agencies, and that lack of information is
2 of paramount concern of public safety. Release of information to public agencies
3 about persons who commit the offense of production or manufacturing of
4 methamphetamine will further the governmental interests of public safety and public
5 scrutiny of the criminal and mental health systems so long as the information
6 released is rationally related to the furtherance of those goals. Therefore, this state's
7 policy is to assist local law enforcement agencies' efforts to protect their
8 communities by requiring persons who commit the offense of production or
9 manufacturing of methamphetamine to register with state and local law enforcement
10 agencies and to require the exchange of relevant information about persons who
11 commit the offense of production or manufacturing of methamphetamine among
12 state, local, and federal public agencies and officials.

13 §563.1. Definitions

14 For the purposes of this Chapter, the following shall apply:

15 (1) "Conviction" means any disposition of charges adverse to the defendant,
16 including a plea of guilty, deferred adjudication, adjudication withheld for the
17 perpetration or attempted perpetration of or conspiracy to commit an offense
18 involving the production or manufacturing of methamphetamine. "Conviction" shall
19 not include a decision not to prosecute, a dismissal, or an acquittal, except when the
20 acquittal is due to a finding of not guilty by reason of insanity and the person was
21 committed. However, a dismissal entered after a period of probation, suspension, or
22 deferral of sentence shall be included in the definition of "conviction" for purposes
23 of this Chapter.

24 (2) "Disposition" means the formal conclusion of a criminal proceeding at
25 whatever stage it occurs in the criminal justice system.

26 (3) "Residence" means a dwelling where an offender regularly resides,
27 regardless of the number of days or nights spent there. For those offenders who lack
28 a fixed abode or dwelling, "residence" shall include the area or place where the
