SB 234 Engrossed

DIGEST
2022 Regular Session

Jackson

Present constitution allows for the determination of guilt or innocence, the detention, and the custody of a juvenile pursuant to special juvenile procedures, except where the legislature has by two-thirds vote indicated certain crimes do not require special juvenile procedures.

Proposed constitutional amendment retains present constitution and adds the crimes of battery of a correctional facility employee, battery when the victim is a juvenile detained in a correctional facility, and assault when the victim is a correctional facility employee or a juvenile detained in a correctional facility to the list of offenses to which special juvenile procedures need not apply.

Specifies submission of the amendment to the voters at the statewide election to be held on 11/8/22.
