DIGEST 2022 Regular Session

Foil

<u>Present law</u> provides that a supplier of particular products for public works may seek prior approval for brand products other than those specified in the contract document within seven working days, prior to bid opening.

<u>Present law</u> provides the prime design professional shall furnish written approval or denial of the product submitted within three days, exclusive of holidays and weekends, after submission.

<u>Proposed law</u> retains <u>present law</u> and further provides if the prime design professional does not respond within the allotted time period, the submitted product shall be considered approved.

<u>Proposed law</u> provides for technical corrections.

Effective August 1, 2022.
