To create and provide for the Task Force on Administration of State Transportation and Development Services to study national best practice models for the efficient and effective administration of state transportation departments.

WHEREAS, Louisiana ranks in the top ten states with inadequate infrastructure; and  
WHEREAS, the state holds the position of forty-ninth for urban interstate conditions;

and

WHEREAS, the state of Louisiana is placed forty-fifth for the number of structurally deficient bridges; and

WHEREAS, the capital city of Baton Rouge was designated as the fourth worst in the United States behind Los Angeles, New York, and Miami; and

WHEREAS, the Department of Transportation and Development's mission is to plan, design, build, and sustain a safe and reliable multi-modal transportation and infrastructure system that enhances mobility and economic opportunity; and

WHEREAS, the department is the only department of transportation that includes the term "development" which includes public works; and

WHEREAS, public works also makes the department responsible for engineering and technical assistance to eight noncoastal levee districts and provides oversight for levee

1 inspection activities; and

2 WHEREAS, the department is also given statewide responsibility to provide for the  
3 effective administration and implementation of public works for flood control, dam safety,  
4 reservoir development, and projects related to controlling, developing, conserving, and  
5 protecting Louisiana's vast water resources; and

6 WHEREAS, there is an inherent value in studying agency structure, models of  
7 highway infrastructure, and efficiency of multi-modal transportation of other states to  
8 determine whether there is an alternate framework for the state of Louisiana that will  
9 improve efficiency in traffic, highway infrastructure, and expenditures of funds related to  
10 transportation.

11 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby  
12 establish and provide for the Task Force on Administration of State Transportation and  
13 Development Services to study best practices used by other states relative to traffic, highway  
14 infrastructure, and planning, including bridges, integrating, and working with local  
15 governmental roads and systems to provide for better growth and movement throughout the  
16 state, and to propose recommendations, together with specific proposals for legislation, by  
17 written report to the legislature and to the David R. Poynter Legislative Research Library as  
18 required by R.S. 24:771 and 772, no later than February 1, 2023.

19 BE IT FURTHER RESOLVED that the task force should include consideration of  
20 reorganization of the Department of Transportation and Development, and to provide for  
21 efficient administration and distribution of taxpayer funds for state infrastructure and  
22 development.

23 BE IT FURTHER RESOLVED that the task force shall consist of the following  
24 members:

25 (1) The chairman of the Senate Committee on Transportation, Highways and Public  
26 Works, who shall serve as the chairman of the task force.

27 (2) Three senate members appointed by the chair of the Senate Committee on  
28 Transportation, Highways and Public Works.

29 (3) The chairman of the House Committee on Transportation, Highways and Public  
30 Works, who shall serve as the vice chairman of the task force.

1           (4) Three house members appointed by the chair of the House Committee on  
2           Transportation, Highways and Public Works.

3           BE IT FURTHER RESOLVED that names of designees to the task force shall be  
4           submitted to the staff of the Senate Committee on Transportation, Highways and Public  
5           Works by August 1, 2022.

6           BE IT FURTHER RESOLVED the task force shall convene for its first meeting no  
7           later than September 1, 2022, at the call of chair of the Senate Committee on Transportation,  
8           Highway and Public Works.

9           BE IT FURTHER RESOLVED that the members of the task force shall serve  
10          without compensation, except per diem or expenses reimbursement to which they may be  
11          individually entitled.

12          BE IT FURTHER RESOLVED that a majority of the total membership shall  
13          constitute a quorum of the task force, and any official action taken by the task force shall  
14          require an affirmative vote of a majority of the quorum present and voting.

15          BE IT FURTHER RESOLVED that the task force may conduct such meetings at  
16          such times as it may deem necessary or convenient to enable it to exercise fully and  
17          effectively its powers, perform its duties, and accomplish the objectives and purposes of this  
18          Resolution.

19          BE IT FURTHER RESOLVED that the task force shall make a report of its findings  
20          and recommendations, with suggestions for proposed legislation, if any, to the legislature  
21          on or before February 1, 2023.

22          BE IT FURTHER RESOLVED that the task force shall terminate on the date of the  
23          submission of its report or April 10, 2023, whichever occurs first.

24          BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the  
25          chair of Senate Committee on Transportation, Highways and Public Works and the chair of  
26          House Committee on Transportation, Highways and Public Works.

The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Archana Cadge.
