**EXPENDITURE EXPLANATION**

**Local government expenditures may increase by up to \$729,000 in fiscal year 2023, further increasing by up to \$2,059,000 by fiscal year 2026.**

This bill authorizes tax assessors to receive an increase in compensation of up to 5% annually for calendar years 2022, 2023, 2024, and 2025. Current combined compensation for tax assessors appears to be \$9,555,000 annually (based on current law and recent audited financial statements). Based on this information, it appears that this bill may increase assessor compensation over existing amounts by up to the following for each fiscal year:

- FY 2023 = \$10,284,000 (\$729,000 increase over existing compensation)
- FY 2024 = \$10,798,000 (\$1,243,000 increase over existing compensation)
- FY 2025 = \$11,338,000 (\$1,783,000 increase over existing compensation)
- FY 2026 and annually thereafter = \$11,614,000 (\$2,059,000 increase over existing compensation)

**REVENUE EXPLANATION**

**There is no anticipated direct material effect on governmental revenues as a result of this measure.**
