EXPENDITURE EXPLANATION

The proposed law requires OGB to provide transparency in prior authorization for all its six (6) health plan vendors. Under the proposed law, if requested by a healthcare provider or plan member, OGB shall require all its health plans to furnish a written response, within 24 hours, of the prior authorization criteria for healthcare service, procedure, or prescription drug. If prior authorization is denied, OGB shall require all its health plans to provide a copy of the applicable law, regulation, policy, procedure, or medical criterion or guideline that was used in that determination.

OGB is in the process of determining if the current procedures of their fully insured health plan vendors comply with provisions of the proposed law. At the time of publication of this fiscal note, OGB has not responded with any fiscal impact.
