

**HOUSE SUMMARY OF SENATE AMENDMENTS**

**HCR 15**

**2022 Regular Session**

**Cormier**

HEALTH: Requests the public postsecondary education management boards to purchase chest compression devices for institutions under their jurisdictions

**Synopsis of Senate Amendments**

1. Change entity to whom request is directed from the Bd. of Regents to the management boards.
2. Remove list of specific institutions for which devices are requested, thereby making request applicable to all public postsecondary education institutions.

**Digest of Bill as Finally Passed by Senate**

Requests each public postsecondary education management board to purchase a chest compression device for universities under its jurisdiction.
