

RÉSUMÉ DIGEST

HR 227

2022 Regular Session

Zeringue

Urges and requests the Coastal Protection and Restoration Authority, the Governor's Office of Homeland Security and Emergency Preparedness, the Dept. of Natural Resources, the Dept. of Transportation and Development, the Dept. of Environmental Quality, the Dept. of Wildlife and Fisheries, and the Division of Administration's office of community development to work with the leadership or designees of the Association of Levee Boards of La. to recommend a legislative framework and the structure of a permanent nonstate entity to track and advocate to address, change, propose, or modify federal policy and law issues impacting flood protection and restoration throughout La. and to create a structure to receive outside funding for these same purposes and to deliver a report regarding the same to the Legislature of La. prior to the 2023 R.S. of the Legislature.
