HB 332 Original

2023 Regular Session

Robby Carter

Abstract: Amends prior authorization for the transfer of state property to include a parking lot adjacent to the tract included in the original authorization.

Present law (Acts 2022, No. 190) authorizes the commissioner of administration and the secretary of the Dept. of Children and Family Services to transfer certain state property in Tangipahoa Parish to the Town of Amite City. Present law provides a property description and requires the reservation of mineral right to the state.

Proposed law retains present law but amends the property description to include an additional tract adjacent to the property contained in the original authorization that the parties intended to include in the original authorization.

Present law further authorizes the state to proceed with a public sale of the property under the provisions of Title 41 after Dec. 31, 2023, if an agreement between the parties has not been reached.

Proposed law changes the date for this additional authorization from Dec. 31, 2023 to Dec. 31, 2025.

Effective upon signature of governor or lapse of time for gubernatorial action.

(Amends §§1 and 3 of Act No. 190 of the 2022 R.S.)
