HB 349 Original

2023 Regular Session

St. Blanc

Abstract: Prohibits the use of certain funds for emergency ambulance transportation service reimbursement.

Proposed law prohibits state general funds and federal funds appropriated to the La. Dept. of Health (LDH) from being used to reimburse emergency ambulance providers for services provided to Medicaid beneficiaries through managed care.

Proposed law further provides that appropriated funds may only be used to reimburse emergency ambulance transportation providers directly by LDH on a fee-for-service basis.
