SB 153 Original

2023 Regular Session

Womack

Proposed law creates the Correctional Facility Capital Outlay Fund within the state treasury for capital outlay and major repairs at correctional facilities.

Proposed law requires the treasurer to deposit sales tax proceeds remitted to the state by the Department of Corrections from the sale of arts and crafts items produced by inmates at correctional facilities owned and administered by the state after compliance with the requirements of the present constitution, relative to the Bond Security and Redemption Fund, and after a sufficient amount is allocated from that fund to pay all of the obligations of the state within any fiscal year.

Proposed law requires monies in the fund to be appropriated for capital outlay and major repairs at each correctional facility in proportion to the sales at each facility.

Effective upon signature of the governor or lapse of time for gubernatorial action.
