HB 534 Original

2023 Regular Session

Carpenter

Abstract: Changes the composition of House Districts Nos. 58, 62, 63, 78, 81, and 92, effective for election purposes for the regular elections in 2023 and for all other purposes at 10:00 a.m. on Jan. 8, 2024.

Statistical summaries of proposed law, including district variances from the ideal population of 44,359 and the range of those variances, as well as maps illustrating proposed district boundaries accompany this digest. (*Attached to the bill version on the internet.*)

Present constitution (Const. Art. III, §6(A)) requires the legislature, by the end of the year following the year in which the state's population is reported to the president of the U.S. for each decennial federal census, to reapportion the representation in each house as equally as practicable on the basis of population shown by the census.

Proposed law redraws district boundaries of House Districts Nos. 58, 62, 63, 78, 81, and 92, effective upon signature of governor or lapse of time for gubernatorial action for purposes of the 2023 election.

Proposed law retains present districts until 10:00 a.m., Jan. 8, 2024, at which time present law is repealed and proposed districts are effective for all other purposes.

Proposed law specifies that precincts referenced in district descriptions are those precincts identified in the file named "2022 Precinct Shapefiles (12-25-2022)" available on the La. House of Representatives website. Specifies that the 2022 Precincts are based upon those Voting Districts (VTDs) contained in the 2022 Census Redistricting TIGER/Line Shapefiles for the state of La. as validated through the data verification program of the La. legislature. Also specifies that if any such precinct has been subdivided by action of the parish governing authority on a nongeographic basis or subdivided by action of the parish governing authority on a geographic basis in accordance with present law, the enumeration of the general precinct designation shall include all nongeographic and all geographic subdivisions thereof. Further provides that the territorial limits of the districts as enacted shall continue in effect until changed by law regardless of any subsequent change made to the precincts by the parish governing authority.

Proposed law specifies that proposed law does not reduce the term of office of any person holding any position or office on the effective date of proposed law for which the appointment or election is based upon a House district as composed pursuant to present law (R.S. 24:35.2). Specifies that any position or office filled after Jan. 8, 2023, for which the appointment or election is based on a House

district amended by proposed law shall be appointed or elected from a district as it is described in proposed law.

Population data in the summaries accompanying this digest are derived from 2020 Census Redistricting Data (Public Law 94-171), Summary File for Louisiana. Population data, statistical information, and maps are supplied for purposes of information and analysis and comprise no part of proposed law.

Effective for election purposes only for the regular legislative elections in 2023; effective for other purposes at 10:00 a.m., Jan. 8, 2024.
