Dept./Agy.: Louisiana Tax Commission		Analyst: Noah O'Dell
Subject: Ad Valorem Tax Assessment Information		

TAX COMMISSION, STATE OR NO IMPACT See Note Page 1 of 1
Provides relative to conveying by the La. Tax Commission of ad valorem tax assessment information it receives from local assessors

Proposed law repeals the prohibition on the Louisiana Tax Commission from selling, leasing, renting, or otherwise conveying or transferring to any person or entity for use in a business any current-year information received. Proposed law instead authorizes the commission to convey or transfer such current-year information for use in a business. Present law authorizes the commission, upon request of any taxpayer, to convey or transfer electronically to the taxpayer historical information held pursuant to present law and viewable from the commission's website, which information is at least one year old at the time of the request. Proposed law repeals the condition relating to the recency of the information at the time of the request, thereby authorizing the commission to convey or transfer electronically to any taxpayer, upon request, any such historical information.
