

1 including coastal protection and restoration projects and hurricane protection projects, which
2 are projects that may require, without limitation, funding for associated measures such as the
3 beneficial use of dredged material, rehabilitation and repair of state restoration projects,
4 environmental and regulatory compliance, acquisition of land easements, rights-of-way,
5 relocations and disposal areas, maintenance programs, conservation and restoration
6 partnerships, reserve fund contingencies, and other innovative programs, provided that such
7 funding for associated measures shall be allocated to the projects based on priority status as
8 identified by the annual state integrated coastal protection plan in order to more effectively
9 respond to the ever-changing coastal crisis; and

10 WHEREAS, R.S. 49:214.8.1 et seq. requires that the annual state integrated coastal
11 protection plan provided for in R.S. 49:214.2 include the annual basin plan for the
12 Atchafalaya Basin and such annual basin plan is included as Appendix D to the annual state
13 integrated coastal protection plan; and

14 WHEREAS, R.S. 49:214.5.3 requires that, as part of the development of the annual
15 state integrated coastal protection plan, the board shall conduct not less than three public
16 hearings in separate locations in the western, central, and eastern areas of the coastal area
17 for the purpose of receiving comments and recommendations from the public and elected
18 officials; and

19 WHEREAS, R.S. 49:214.5.3 also requires that at least two weeks prior to each public
20 hearing, the board shall contact the parish governing authorities, regional flood protection
21 authorities, levee districts, and the state legislators of the parishes in the coastal areas for the
22 purpose of soliciting their comments and recommendations and notifying them of the public
23 hearing to be held in their area; and

24 WHEREAS, R.S. 49:214.5.3 requires the board to receive written comments and
25 recommendations until thirty days prior to the submission of the annual state integrated
26 coastal protection plan to the legislative committees; and

27 WHEREAS, as required under the provisions of R.S. 49:214.5.3, the annual state
28 integrated coastal protection plan adopted by the board shall be submitted to the House
29 Committee on Natural Resources and Environment, the Senate Committee on Natural
30 Resources, the House Committee on Transportation, Highways and Public Works, and the

1 Senate Committee on Transportation, Highways, and Public Works, on or before the
2 fifteenth day of the regular legislative session of each year; and

3 WHEREAS, these committees shall provide guidance for and approval of the annual
4 state integrated coastal protection plan; and

5 WHEREAS, the annual state integrated coastal protection plan shall become
6 effective and implemented upon approval of the annual state integrated coastal protection
7 plan by a majority of both houses of the legislature, or if a majority of both houses of the
8 legislature fails to disapprove the annual state integrated coastal protection plan by July 1,
9 2023, it shall become immediately effective and implemented.

10 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
11 approve the state's Fiscal Year 2024 annual plan for integrated coastal protection, as adopted
12 by the Coastal Protection and Restoration Authority Board.

13 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
14 chairman of the Coastal Protection and Restoration Authority Board.

The original instrument and the following digest, which constitutes no part
of the legislative instrument, were prepared by Jacob K. Wilson.

DIGEST

SCR 6 Original

2023 Regular Session

Hensgens

Approves the annual state integrated coastal protection plan for FY 2024, as adopted by the
Coastal Protection and Restoration Authority Board.
